

The Concept

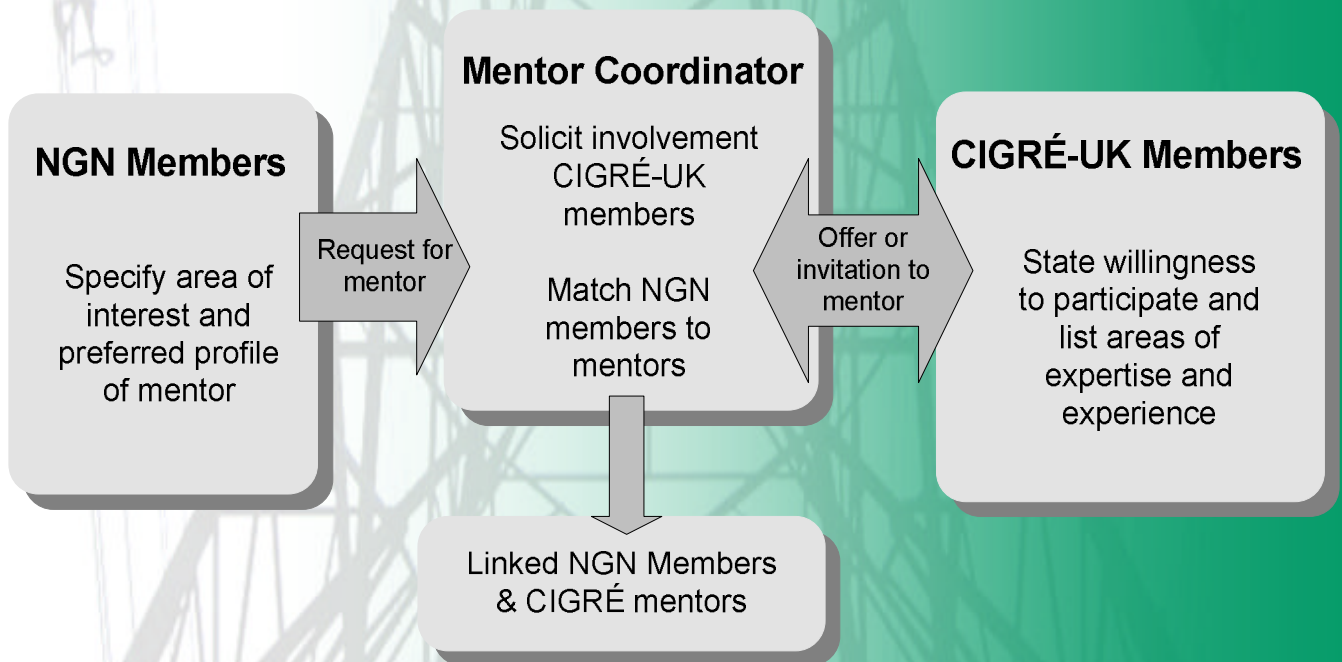

Establish a one-to-one relationship between NGN members and more experienced members of CIGRÉ to help the NGN members become more effective participants in CIGRÉ.

Key roles to be played by the mentor include:

- Facilitating and guiding NGN member involvement in technical working groups.
- Offering support and advice on the wider operation of CIGRÉ.
- Providing guidance on fulfilling formal roles within CIGRÉ, such as within the NGN Executive committee.

Further information will be available on www.cigre-ngn-uk.org (in development).
