

**Dear NGN Member,**

We are glad to announce the results of the Elections for the NGN Chairman, Vice-Chairman and Secretary positions:

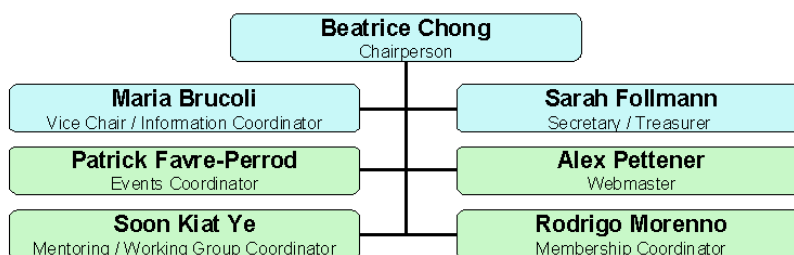

-NGN Chairman	<b>Dr Beatrice Chong</b>
-NGN Vice-Chairman/Information Coordinator	<b>Dr Maria Brucoli</b>
-NGN Secretary	<b>Miss Sarah Follman</b>

Results were announced at the Annual General Meeting held in conjunction with the Third Technical Core Event at Areva in Stafford on November 30th.

After a long service in the Steering Committee and two years as Chairman, Mr Jonathan Halliday is stepping down from his position. We would like to thank him for the hard work over these years and wish him all the best for his future. Maria and Sarah have been re-confirmed in their current roles. Beatrice is one of the original founding member of NGN and member of the Steering Committee. After finishing her PhD at Warwick University, she spent one year in China and joined National Grid in September. We wish Beatrice, Maria and Sarah all the best!

### **CIGRÉ 2010 Paris Session**

As you might already know, preparation is under way for the coming 2010 Paris Session. During the Paris 2008 Session NGN was very active. We had our paper competition, a stand at the main exhibition and our Chairman gave a presentation about the NGN at the EPEE session. NGN Members enjoyed a number of social activities including an exclusive cocktail reception organized by Cigre-UK.

We are currently recruiting for **two supporters (we are looking for people both from academia and industry)** to help our Paris Coordinator organizing the numerous activities planned by the NGN for the 2010 Session. The supporters would gain valuable experience and get the chance to personally meet some of the biggest names in Power Industry...a chance not to be missed.

If you wish to nominate yourself please send an e-mail with a short description of your competencies to Dr Chris Dent at [chris.dent@durham.ac.uk](mailto:chris.dent@durham.ac.uk).
