## Events 2009 – Discussion

- Achievements
  - Short events introduced
  - Ongoing support from industry
  - Coordination established to support local organiser
- Points for discussion
  - “Electronic registration”: PDF operational, html to come?
  - “Event reports”: PFP doing “exec” reporting, new: a member to contribute to newsletter?

## 2010 Roadmap – Ideas TBC

- Core events:
  - Q1-2: Offshore Substation Platform Design (Newcastle - Siemens)  
Visit: offshore sub-station (prior to “shipping”)
  - Q2: Storage  
Visit: Dinorwig
  - Q4: AGM / Standards and Testing (Manchester - UMIST)  
Visit: HV laboratory
- Note: Q3 2010 – Session 43
- Short events:
  - Cruachan Hydro
  - Forensics
  - Palarmis
- Moved to 2011: Battery storage, Whitelee WF

**Thank you!**
